

# FOLLOW OUR FOOD ROOTS

## AIM'S MARKET PARTICIPANTS GROW AND PRODUCE FOOD FROM OVER 40+ CALIFORNIA COUNTIES

REPRESENTING 210+ FARMERS, FISHERS, RANCHERS AND CHEESEMAKERS

WHERE DOES OUR FOOD COME FROM? The map is a comprehensive snapshot of where your food travels from between California Counties and the Bay Area. Being aware of your “food miles” has an impact on our planet when it travels from the farm to your plate. Eating seasonally and shopping the farmers market will help reduce your food miles. Experience the benefits of California’s biodiverse growing region through shopping locally.
